BEAT THE CREDIT CRUNCH! GO SHOPPING!

Dennistoun Community Group presents its Autumn Craft Fair

Saturday 29th, August, 10am-4pm, Free entry, at Dennistoun NewChurch Hall, Armadale Street

Want to buy unique items? Want to buy direct from the maker? Want a friendly community atmosphere to do your shopping in? Visit the Dennistoun Community Together Craft Fair this Saturday! A wide range of stallholders from across Greater Glasgow will be exhibiting a variety of one-of-a-kind, handmade goods - including art, gifts, cards, fashion, accessories, photography and much more! This event is free entry, with refreshments available.

Craft is no longer a dirty word to be associated with loo roll covers & corn dollies. It's a modern global phenomenon! And in recent times, many people have been looking for an alternative to mass-produced high street products from faceless shops. The Dennistoun craft fair will provide a refreshing opportunity to actually meet the person who created your latest purchase. You might even be inspired to develop a fun new skill! What's more, by supporting local creativity, you'll be boosting your green credentials by helping the environment too. Many of the products for sale are made from re-used or found items and given a new lease of life. Not only that, you'll be obviously be reducing your carbon footprint, by minimising delivery miles.

So why not come along, say hello, and check out the ranges of fashion, jewellery, accessories, cards, candles, gifts and much more besides?

DCT is a grass-roots not-for-profit community group made up of local people working to promote interaction and foster a safer, friendlier neighbourhood. Other projects and activities under way or being planned include: establishing the 'Friends of Alexandra Park' group, Toy Fairs where children can exchange used toys or unwanted gifts, litter picks in association with CleanGlasgow, potential development of a new allotment space or community gardening project and 'TimeBack' - a skills & time exchange scheme. The group meets every second and fourth Thursday of the month at Whitehill Pool, Onslow Drive at 7pm.

Next Date: Saturday 29th, November
